USER GUIDE

CLEAN BOAT SPECIAL CAREENING

CLEAN BOAT SPECIAL CAREENING is a product ready to use!

1. Apply with a brush or spray, from bottom to top on a dry surface.
2. Let the product stand for a few seconds.
3. Scrub slightly if needed.
4. **Rinse thoroughly.**

When apply to inox dilute with water (20% product-80% water) and rinse thoroughly.

Ideal for:

- ✓ Removes the yellow veil from hulls and fouled surfaces.
- ✓ Removes rust from all metal and passivates stainless steel elements.
- ✓ Removes algae, shells and all residues on hulls, propellers and outdrives.
- ✓ The composition doesn't damage the surfaces and O-rings.
